## Membership Statement of Faith

Dianic tradition is a Goddess and female-centered, earth-based, feminist denomination of Wiccan religion. To become a member of Temple of Diana, you must be a female (XX) human being, who resonates with, is in accord with, and is interested in exploring the basic principles of Dianic Wicca which follow:

The Goddess is all that is, was, and ever will be. The Goddess is primary. She is Whole Unto Herself, the Source of life and to whom all will return in death. She is the spinner, weaver, and She who cuts the thread. She is the Web of Life, Creator, and Creation.

Have a commitment to honor and restore meaning to women's lives through the celebrations of Women's Mysteries, the Wheel of the Year, and other life cycle events.

Be in accord with feminist ideology, and work for freedom and equality for all people with respect for differences in cultural, racial, ethnic, class, ability, and sexual orientation.

Power-over abuses such as violence or sexual harassment has no place in our lives and is not tolerated at any Temple of Diana, Inc. and any of its affiliated Grove events.

Practice a code of ethics that honors the Earth, Her creatures, yourself and others, that is equivalent to the Wiccan Rede, "An it harm none, do what you will."

Agree to use your energy for healing, transformation, and positive change. Revere Nature as a core component of your spirituality.

To become a member we also ask that you keep Temple of Diana informed of your current address, and that you be 18 years or older, or have written permission from your parents/guardians.

## **Temple of Diana Expectations of Members and Participant Conduct**

The Dianic religion is dedicated to challenging isms such as racism, classism, and homophobia within ourselves and our communities and does not support power over thinking or actions. Our religion steadfastly holds to the Wiccan rede; an it harm none, do as ye will as well as the belief that the energy and actions we put out into the world, returns to us threefold.

Temple of Diana endeavors to create safe places for women and girls to gather, exchange ideas and support each other. Our religion celebrates diversity, partnership, empowerment and pleasure.

It is our expectation that differences and disagreements are a normal process in daily life, however, it is also our expectation that disagreements are handled honorably and do not include bullying, ridicule condescension or rudeness. We believe in women taking full responsibility for their actions as quickly as possible.
